

# EON 615

## DELUXE WEATHER RESISTANT OUTDOOR COVER

More than just another great JBL sound system, the EON615 is a true step forward in technology developed specifically to deliver the best sound possible regardless of its application. The following deluxe weather resistant outdoor cover was made specifically for EON615. Offering protection for temporary outdoor use, rain or shine, keeping your speaker looking like new.

## EON615-CVR-WX

- Constructed using a 420-D Nylon exterior fabric comprised of two layers; the outer woven layer provides abrasion resistance and durability, while the inner waterproof layer offers protection from the elements
- Zippered front panel with roll-away feature allows speaker use with protective cover in place
- Access to rear panel inputs and side carry handles
- Ventilation ports on amplifier section to promote air flow
- Durable #10 nylon coil zippers
- Printed JBL logo on front panel
- Black exterior color
- The official protective cover for JBL EON loudspeakers

\*Not intended for permanent installation use
