

# IRX ONE

All-in-One Column PA with Built-In Mixer and Bluetooth Streaming

The **JBL IRX ONE** All-in-One Column PA features an advanced acoustic package, 3-channel mixer and Bluetooth 5.0 audio streaming – all packed into an incredibly easy-to-use system that can be carried with one hand.

Boasting legendary JBL fidelity and performance, IRX ONE utilizes concert line array-inspired directivity control, resulting in a custom-tuned, C-shaped array. Featuring six 2" high-frequency drivers, the array delivers rich clarity, a wide sweet spot and seamless front-to-back coverage. The advanced 8" woofer features a bass-reflex design that ensures low-frequency response down to 40 Hz.

Designed to support a range of different users, IRX ONE features a 3-channel mixer that supports the most popular connections, including 1/4" and XLR inputs with included 48V phantom power and 1/4" balanced mix-out. dbx automatic feedback suppression (AFS), 5 EQ presets, Soundcraft audio ducking, and Bluetooth 5.0 audio streaming ensure a professional experience from start to finish.

IRX ONE was created to be so simple-to-use that anyone from educators and presenters to hospitality or house of worship users can feel comfortable and confident using the system. Musicians, buskers and singer/songwriters also appreciate the plug-and-play design that gets them up and running and sounding great, right away.

## KEY MESSAGES ■

### ADVANCED ACOUSTIC TECHNOLOGY AND SEAMLESS COVERAGE

IRX ONE utilizes concert line array-inspired directivity control, resulting in a custom-tuned, C-shaped array. Featuring six 2" high-frequency drivers, the array delivers rich clarity, a wide sweet spot and seamless front-to-back coverage. The advanced 8" woofer features a bass-reflex design to ensure low-frequency response down to 40 Hz.

### ERGONOMICALLY-OPTIMIZED DESIGN

IRX ONE is easy to carry with one hand; sets up and tears down in seconds; and the ergonomically-optimized carry handle minimizes wrist strain. Additionally, column spacers and the array cabinet conveniently fit into the back of the base unit.

### SIMPLE-TO-MANAGE 3-CHANNEL MIXER

IRX ONE features a 3-channel mixer that supports the most popular connections, including 1/4" and XLR inputs with included 48V phantom power and 1/4" balanced mix-out. dbx automatic feedback suppression (AFS), 5 EQ presets and Soundcraft audio ducking ensure a professional experience from start to finish.

### INTEGRATED BLUETOOTH 5.0 AUDIO STREAMING

Using the latest Bluetooth 5.0 audio streaming chipset, IRX ONE delivers premium audio performance and long-distance streaming.

### PORTABLE AND RELIABLE BUILT FOR DURABILITY

IRX ONE is built for long-lasting durability that includes JBL's rigorous 100-hour stress test, stringent road tests, and a complete three-year warranty.
