- Handle cut-outs for easy transportation
- Folds and stores in the VTX A12 VT
- Heavy-duty industrial-grade zippers

DESCRIPTION

The VTX A12 VT CVR is a heavy-duty soft cover designed to work with the VTX A12 VT vertical transport system. The cover is sized to cover four A12 enclosures and includes two industrial-rated zippers for easy and reliable deployment. The cover includes input-panel flaps, allowing the A12 enclosures to be tested without having to remove the cover. Two handle cut-outs are provided for easy handling, and a clear pocket is provided for shipping labels. The front section panels are internally reinforced for maximum protection of the speaker grills. When not used, the VTX A12 VT CVR folds into a compact footprint and stores within the VTX A12 VT.

INCLUDED

- (1) VTX A12 VT CVR
